Bullying:
Preventing and Responding to Student Bullying in Schools Policy (2011)

The NSW Department of Education and Communities rejects all forms of bullying. No student, employee, parent, caregiver or community member should experience bullying within the learning or working environments of the Department.

- Bullying can involve humiliation, domination, intimidation, victimisation and all forms of harassment including that based on sex, race, disability, homosexuality or transgender. Bullying of any form or for any reason can have long term effects on those involved including bystanders.

- Conflict or fights between equals or single incidents are not defined as bullying.

Bullying behaviour can be:
- **verbal** eg name calling, teasing, abuse, putdowns, sarcasm, insults, threats
- **physical** eg hitting, punching, kicking, scratching, tripping, spitting

• Understand the definition of bullying as intentional, repeated behaviour
by an individual or group of individuals that causes distress, hurt or
undue pressure. It is not an isolated incident.
• Learn about bullying by participating in learning experiences in class, at
assemblies etc.
• Be assertive in saying “Stop it, I don’t like it, go away” to anyone who
demonstrates behaviours that are hurtful, offensive or insulting.
• Learn about Bystander Bullying in formal class lessons and discussion
• Feel comfortable to report bullying to school staff and feel assured that
their concerns will be taken seriously.

By parent and caregivers
• Be aware of all forms of bullying by reading information in this policy
and newsletters.
• Assist their children in understanding bullying behaviour.

By teachers
• Teach students key understandings and skills relating to positive
relationships, safety, gender equity, discrimination, bullying and
harassment. These experiences will be guided by the Personal
Development, Health and Physical Education syllabuses and other Key
Learning Areas.
• Formally teach ‘The Five Point Plan’ to students in their class each year.
• Be aware of all forms of bullying as per the policy definition.
• Be alert and observant for acts of bullying in class, playground etc.

By Principal
Inform students, teachers, parents and caregivers about strategies to be
assertive in preventing bullying, and to identify and report bullying. The school
will review the school Anti Bullying Policy annually and make recommendations
for changes to the staff and the parent community via the parent P & C
Association.
By Principal
The Principal will ensure that the most current Policy is uploaded to the school website and to the school server. Bullying hasn’t occurred at Capertee PS because it is a very small, family orientated school. However bullying is viewed very seriously and prevention strategies are in place. These are monitored and adjusted accordingly.

Prevention Strategies:
- Up to date and well communicated Welfare and Discipline Policy.
- Social Skills programs for students nominated by staff or parents.
- PD & H component of teaching programs.
- Prompt investigation of bullying issues or complaints.

Early Intervention Strategies
The school will implement strategies for students who are identified as being at risk of developing long term difficulties with social relationships and those students who identified at or after enrolment as having previously experienced bullying or engaged in bullying behaviors. Such strategies include:
- Parent nomination at the time of enrolment. The enrolling executive will ask for information around bullying.
- The student’s previous school will be contacted prior to enrolment and requested to identify any issues around bullying.
- The Learning Support Team will assist in the identification of students either at risk of being bullied or at risk engaging in bullying type behaviours.
- Kinder Transition Programs will inform parents of school policy and procedures.
- The school counsellor service will be accessed by staff or parent nomination.
- Students will participate in anti-bullying activities across the grades.

Intervention

Students
Students who have bullied other students will be dealt with accordingly. Students with a history of bullying type behaviours will be required to attend a formal interview with their teacher, the principal and their parents. Referral to the school counsellor will occur. Parents will be advised to also seek external professional support for their child.

Students who have been bullied will be provided with support and reminded of appropriate strategies to protect themselves from bullying. Referral to the School Counsellor will be made if deemed appropriate by the case management team and parents.

Each year students will received formal education in the notion of Bystander Bullying and the influence that students can have on the behavior of their peers.

Parents and caregivers
Parents of students who have bullied will be informed personally by the Principal.

By teachers and other school staff
Regular discussions with teachers, at Communication Meetings will occur about student/s of concern. Plans to prevent and deal with particular instances of bullying will be discussed and agreed upon.
Students of concern are discussed at each Friday morning communication meeting.

Appropriate Student Responses
Students will know that they can control what happens. They will not retaliate by using bullying and will try not to show fear, as the bully is no longer rewarded and the bullying may stop.
Students will be proactive and need to decide what action to a take.

School Anti-bullying Plan – NSW Department of Education and Communities
- Step 1: Ignore it. Show that it does not upset you. The bully is then not rewarded and the bullying may stop. If it does not stop:
• Step 2: Talk to the person bullying you. Tell her or him to stop.  
  If it still does not stop:
• Step 3: Talk it over openly with trusted adults (i.e. class teacher or parent). They can help you decide what to do.  
  If the bullying still does not stop:
• Step 4: Talk to the Principal. Allow him/her to take the action they see as necessary.

Students who are not being bullied but are aware of others who are, will be encouraged to report it, to protect those that are being bullied and so that the bully can be helped too.

**Reporting**

**By students**
Report acts of bullying (towards themselves or others) to the Principal.

**By parents and caregivers**
Notify the teacher or Principal of acts of bullying that were reported or witnessed by themselves or their children.

**By teachers and Staff**
Notify the Principal of acts of bullying that were reported or witnessed.

**Investigation**
All reported incidents of bullying will be investigated by the Principal within 24 hrs of notification. A formal record of the investigation will be taken and a copy provided to the principal for school files.

The Principal will follow school and DEC policy with regard to the consequences for bullying behaviours. The Principal is responsible for contacting parents of both parties within one day of the investigation.

For serious bullying behaviours, the DEC School Safety and Response Unit will be called and the Area SED informed. Such instances are those in which physical injury necessitating medical treatment has occurred or where student/staff safety may be compromised. In the most serious of cases, the school will call the Police Immediately.

The school will contact the SED and DEC Media Unit for any instances in which media involvement may be likely to occur. A Serious Incident Form will be communicated to the SED for serious instances of bullying. Immediate student suspension will occur for serious bullying as outlined above.

Examples of cyber bullying include:
- teasing, spreading rumours online, sending unwanted messages, making threats or defamation.

Students' Rights
- Students have the right to expect that they will spend the school day free from the fear of bullying, harassment and intimidation.
- All forms of bullying, whether it be physical, verbal or cyber are not tolerated at any level at Capertee Public School.

Students' Responsibilities
It is expected that students at Capertee Public School will:
